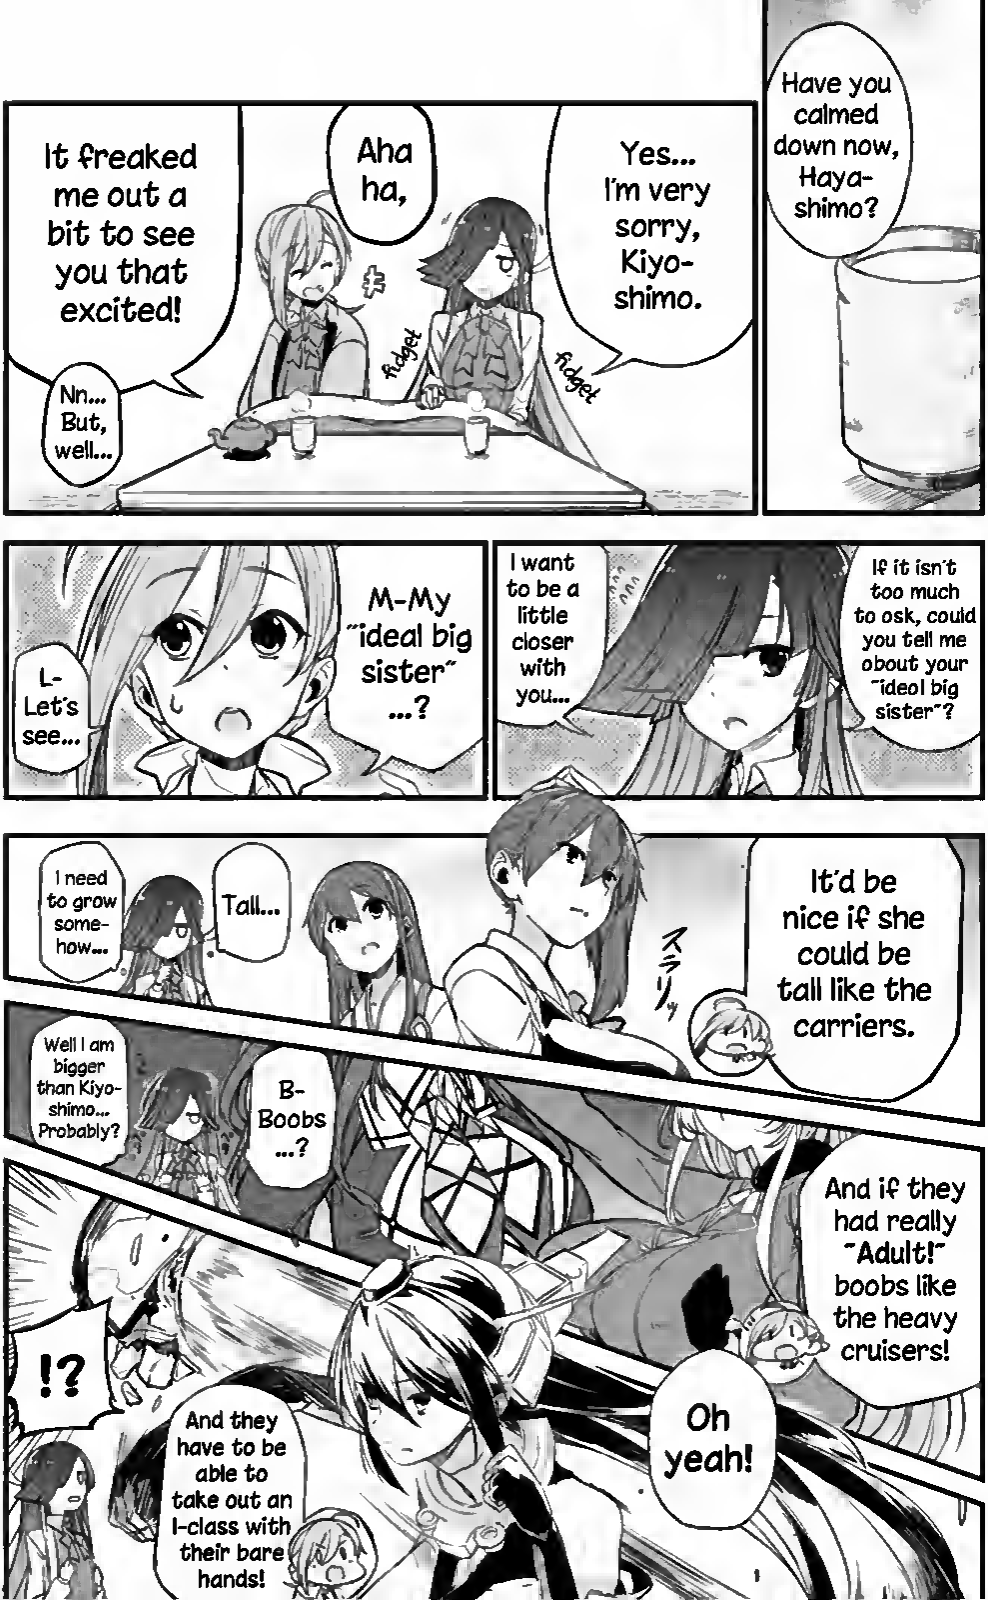
Whoo-pee-!
Good work.
Very well done, Kiyo-shimo.
You got them all right.
I Am an Onee-chan
by Hidori
$\frac{1}{2} \times \frac{2}{3} = \frac{1}{3}$
1 =
This is correct.
This one here too.
Hm...
gulp
Is it really ~?
Ehe he~
How impressive; to finish all your homework in a day.
But you're such a life saver-
It's due tomorrow, but everyone's out on expeditions so no one else could teach me.
Oh right, Asashimo is typically here to tease you...
HA HA HA
She doesn't look it, but she's smart...

Onee...
Chan!?
Asashimo's ill
Every-thing turned out great!
And now I get to rub it in Asa-shimo's face!
I'm so glad I've got such a nice onee-chan!
Thanks a lot, Haya-shimo!
Hold on.
Wait for me, snacks, I'm coming for you~
Oh, it's snacktime already.
Huh...? But...
Sit right over there.
Kiyo-shimo,

Your onee-chan...
Will take care of every-thing!
...
...And she's gone.
W-Wait-!?
Haya-shimo...!?
ドーン
チョコバウム
ココナッツジャンボ

Are these hand-made ...?
Awe-some!
After all...
I am your onee-chan!
It was no trou-ble.
Really now,
She likes it when I call her onee-chan?
glance
Wait, could it be...
glance
What's gotten into her...?
She's acting weirder than usual...
...I see.
fidget
fidget

That's pretty amazing, Haya-shimo.
I don't know how you managed to make all this so fast.
Can you teach me how to do that next,
Onee-chan?
Now that I think about it, among us sisters, I'm the only one younger than Hayashimo...
This is a little awkward though
Fufu fu...
Of course, Kiyo-shimo!
I even made this super-dreadnought class dora-yaki for you!
Really
loves it
That's going a little too far though...



Have you calmed down now, Haya-shimo?
Yes... I'm very sorry, Kiyo-shimo.
fidget
fidget
Aha ha,
It freaked me out a bit to see you that excited!
Nn... But, well...
I want to be a little closer with you...
If it isn't too much to ask, could you tell me about your "ideal big sister"?
L-Let's see...
M-My "ideal big sister" ...?
It'd be nice if she could be tall like the carriers.
スラリッ
I need to grow some-how...
Tall...
Well I am bigger than Kiyo-shimo... Probably?
B-Boobs ...?
And if they had really "Adult!" boobs like the heavy cruisers!
Oh yeah!
!?
And they have to be able to take out an I-class with their bare hands!

Oh, oh yeah! And when I think of ideal,
She's gotta be...
おおおお
A real battle ship!

ゴ
ゴゴゴ
ゴ
ゴ
ゴ

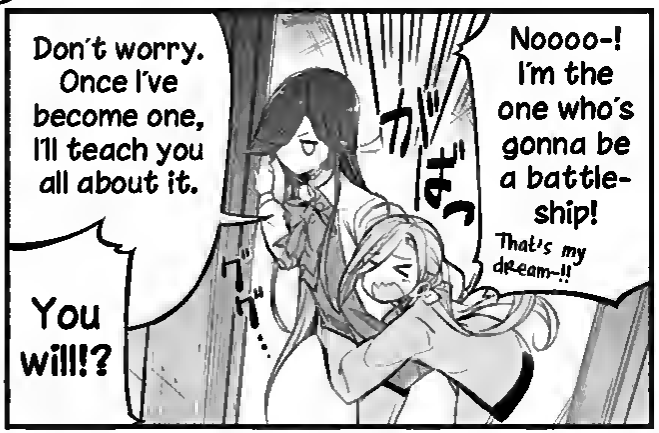
I under-stand now, Kiyo-shimo.

Haya-shimo?

Your onee-chan...
Will now go train to become a battle-ship!
EHH HHH H!?
You can train to be one!?

Oh, there's another one of you today?
Train us-!!

END



Don't worry. Once I've become one, I'll teach you all about it.
You will!?
Noooo-! I'm the one who's gonna be a battle-ship!
That's my dream-!!
